## About TTS Pharma

[www.ttspharma.com](http://www.ttspharma.com)

TTS Pharma is a private company, incorporated in England and Wales established in 2012, with offices in Liverpool. The Company holds deep industry expertise in extraction and separation of Phytoactive API ingredients and converting into finished product formats using sustained release formats. The Company holds 16 dossiers with the UK's FSA, and the Company supplies a growing number of CBD brands in UK, with exports to Germany, Portugal and South Africa. The Company sponsors a number of R&D projects at several leading UK Universities under Home Office Licenses and respects all existing legal and regulatory requirements in the UK. TTS Pharma is committed to a compliant and legal CBD supply chain and is one of the few companies to have this recognised by Trading Standards through its Primary Authority approval by Hertfordshire Trading Standards. TTS Pharma's products follow a controlled, fully traceable process that complies with general Food Law (UK) including labelling and promotional materials for safe, repeatable use of CBD containing product.
